**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer and I support open competition among internet service providers, including providing access to unbundled network elements to allow expansion by competitors to AT&T. I switched from AT&T (DSL) to another provider to get faster internet via fiber and at a much lower price! I would like other consumers to have this same option. Please do not allow the giant companies to stifle competition. Thank you for your attention.
